Danielle Mancuso
Business Administrator/Board Secretary

To the Bound Brook Community;

As the school year has progressed, we have been observing our School Lunch Program and the communication between our food service and parents. Bound Brook School District and Pomptonian Food Services have implemented PayForIt, an online system that allows parents to view what their child purchases at lunch and also allows parents to add money to their child's school lunch account. In addition, the school district will be mailing low balance lunch letters home on a monthly basis, emailing the letters on a weekly basis, and a phone blast will be sent out weekly as well. We hope this will ensure that all parents have the information readily available and can send payments accordingly.

While we are working on improving communication, the Bound Brook School District is facing a large issue collecting lunch balances. As this problem continues to rise, **effective November 28, 2016**, we will be implementing a basic lunch when a student's account reaches a negative balance of \$25. The basic meal meets all the requirements for a compliant, nutritious meal. Parents will still be charged and responsible for the price of the basic lunch. They will receive a basic lunch until the balance has been paid.

If you would like to add any restrictions to your child's lunch account such as limiting how many times they can purchase snack per week, please contact our Food Service Director, Cheryl Babulak at 732-356-2500 x 3975 or at CBabulak@bbrook.org

As mentioned before, you can provide payment through PayForIt. To sign up for PayForIt please visit the district website at www.bbrook.org and click on the information tab, PayForIt Instructions. Please make sure to label checks (payable to Bound Brook School Cafeteria Account with your child's ID# listed on the check) or cash clearly to the below contacts:

Cheryl Babulak at Bound Brook High School
Taryn Jozefowicz at the Business Office, BOE

Thank you for your attention to this matter and we appreciate your support!

Sincerely,

Danielle Mancuso
Business Administrator/Board Secretary
