### ■ PREPARTICIPATION PHYSICAL EVALUATION

## **HISTORY FORM**

(Note: This form is to be filled out by the patient and parent prior to seeing the physician. The physician should keep a copy of this form in the chart.)

Date o	f Exam												
Name Date of birth _			Date of birth										
Sex _	Age Grade Sch	nool Sport(s)											
Medicines and Allergies: Please list all of the prescription and over-the-counter medicines and supplements (herbal and nutritional) that you are currently taking													
	Do you have any allergies?												
Explain "Yes" answers below. Circle questions you don't know the answers to.													
GENE	RAL QUESTIONS	Yes	No	MEDICAL QUESTIONS	Yes	No							
	as a doctor ever denied or restricted your participation in sports for ny reason?			26. Do you cough, wheeze, or have difficulty breathing during or after exercise?									
be	o you have any ongoing medical conditions? If so, please identify elow:  Asthma  Anemia  Diabetes  Infections ther:			27. Have you ever used an inhaler or taken asthma medicine?  28. Is there anyone in your family who has asthma?									
	ave you ever spent the night in the hospital?			29. Were you born without or are you missing a kidney, an eye, a testicle (males), your spleen, or any other organ?									
	ave you ever had surgery?			30. Do you have groin pain or a painful bulge or hernia in the groin area?									
	T HEALTH QUESTIONS ABOUT YOU	Yes	No	31. Have you had infectious mononucleosis (mono) within the last month?									
	ave you ever passed out or nearly passed out DURING or FTER exercise?			32. Do you have any rashes, pressure sores, or other skin problems?  33. Have you had a herpes or MRSA skin infection?									
	ave you ever had discomfort, pain, tightness, or pressure in your			34. Have you ever had a head injury or concussion?									
	nest during exercise? Des your heart ever race or skip beats (irregular beats) during exercise?			35. Have you ever had a hit or blow to the head that caused confusion, prolonged headache, or memory problems?									
	as a doctor ever told you that you have any heart problems? If so,			36. Do you have a history of seizure disorder?									
	neck all that apply:  1 High blood pressure			37. Do you have headaches with exercise?									
	1 High blood processor			38. Have you ever had numbness, tingling, or weakness in your arms or legs after being hit or falling?									
	as a doctor ever ordered a test for your heart? (For example, ECG/EKG, chocardiogram)			39. Have you ever been unable to move your arms or legs after being hit or falling?									
	o you get lightheaded or feel more short of breath than expected			40. Have you ever become ill while exercising in the heat?									
	uring exercise? ave you ever had an unexplained seizure?			41. Do you get frequent muscle cramps when exercising?									
	by you get more tired or short of breath more quickly than your friends			42. Do you or someone in your family have sickle cell trait or disease?  43. Have you had any problems with your eyes or vision?									
	rring exercise?			44. Have you had any eye injuries?									
HEAR	T HEALTH QUESTIONS ABOUT YOUR FAMILY	Yes	No	45. Do you wear glasses or contact lenses?									
ur	as any family member or relative died of heart problems or had an nexpected or unexplained sudden death before age 50 (including rowning, unexplained car accident, or sudden infant death syndrome)?			46. Do you wear protective eyewear, such as goggles or a face shield?  47. Do you worry about your weight?									
14. Do	pes anyone in your family have hypertrophic cardiomyopathy, Marfan Indrome, arrhythmogenic right ventricular cardiomyopathy, long QT			48. Are you trying to or has anyone recommended that you gain or lose weight?									
Sy	undrome, short QT syndrome, Brugada syndrome, or catecholaminergic plymorphic ventricular tachycardia?			49. Are you on a special diet or do you avoid certain types of foods?									
<u> </u>	pes anyone in your family have a heart problem, pacemaker, or			50. Have you ever had an eating disorder?									
	planted defibrillator?			51. Do you have any concerns that you would like to discuss with a doctor?									
	as anyone in your family had unexplained fainting, unexplained pizures, or near drowning?			FEMALES ONLY  52. Have you ever had a menstrual period?									
	AND JOINT QUESTIONS	Yes	No	53. How old were you when you had your first menstrual period?									
	ave you ever had an injury to a bone, muscle, ligament, or tendon at caused you to miss a practice or a game?			54. How many periods have you had in the last 12 months?									
18. Ha	ave you ever had any broken or fractured bones or dislocated joints?			Explain "yes" answers here									
	ave you ever had an injury that required x-rays, MRI, CT scan, jections, therapy, a brace, a cast, or crutches?												
20. Ha	ave you ever had a stress fracture?			] ————									
	ave you ever been told that you have or have you had an x-ray for neck stability or atlantoaxial instability? (Down syndrome or dwarfism)												
	o you regularly use a brace, orthotics, or other assistive device?												
	you have a bone, muscle, or joint injury that bothers you?												
	o any of your joints become painful, swollen, feel warm, or look red?			-									
	o you have any history of juvenile arthritis or connective tissue disease?												
	I hereby state that, to the best of my knowledge, my answers to the above questions are complete and correct.
