---

Office of the Superintendent of Schools

December 22nd, 2021

Dear Parents:

The district administration, along with the Somerset County Prosecutor's Office, has arranged for a COVID-19 vaccination clinic at Bound Brook High School. A Mobile School COVID-19 Vaccination Clinic for students ages 5-11 will be held on January 18th, 2022, from 3:00PM- 6:00PM for the first dose and on February 8th, 2022 from 3:00PM-6:00P for the second dose. Additionally, in case of snow/inclement weather, we will send you a notification and will reschedule the clinic to another day that week.

To assist the administration of this clinic, we are asking parents to fill out a Google survey if you plan to have your child vaccinated at this mobile clinic. Please complete the survey by opening this link:

[CLICK HERE FOR SURVEY](#)

A parent or guardian must accompany the child to the High School cafeteria for this clinic. If you have any questions or concerns, please feel free to reach out to me by email at [dgallagher@bbrook.k12.nj.us](mailto:dgallagher@bbrook.k12.nj.us).

Thank you for your understanding, support, and patience during this time.

Truly,

Daniel Gallagher, Ed.D.  
Superintendent of Schools
