RE: Title I Program: School-Parent Compact

Dear Parent/Guardian:

The federal program, Title I of the Every Student Succeeds Act (ESSA)/NCLB, provides financial assistance to school districts and charter schools. Under the Title I Program, the United States Department of Education supports schools in addressing the academic needs of all students, leaving "no child left behind".

The goal of the Title I Program is to raise academic achievements by ensuring that all students receive high-quality education and achieve proficiency on the rigorous Common Core State Standards as measured by state assessments.

I encourage you to support your child's education and communicate with your child's teacher(s) on a regular basis. For more information on ESSA/NCLB, and the role of parents, please visit the United States Department of Education (USDE) Website at www.ed.gov/nclb.

Our goal at the Bound Brook Elementary Schools is to ensure success for all our students. As a parent/guardian, you are an integral part in your child's success. In order to fully understand our roles in ensuring your child's success, the Parent Compact has been developed to outline the expectations of school, parent/family and the student.

Prior to providing Title I supplemental programs services, we are asking that you sign this document to ensure complete understanding of the expectations.

Through family involvement and partnership, we can provide your child with the best education possible. Thank you.

Mrs. Beth Fischer Assistant Superintendent of Curriculum and Instruction
